Dear Mr. Macchiarella:

EPA hereby requests a thirty (30) day extension for review of the Draft Data Gap Sampling Workplan for OU-1, OU-2A, and OU-2B, Alameda Point, as per my e-mail to you of December 5, 2006. The request is made under the provisions allowed in Section 10.7 (b)(2) of the Federal Facilities Agreement for Alameda Naval Air Station. The regulatory agencies received the document on November 3, 2006 and, including the extra 30 day review period, will therefore submit comments to the Navy on February 2, 2007.

Thank you for accommodating this request. Please call me at (415) 972-3029 if you have any questions.

Sincerely,
